VI. AUTHORIZATION TO REQUEST THE MAYOR AND THE CITY COUNCIL TO QUIT CLAIM TO THE ATLANTA BOARD OF EDUCATION VARIOUS PROPERTIES ON THE ATTACHED LIST

November 11, 1996

THE SUPERINTENDENT REPORTS:

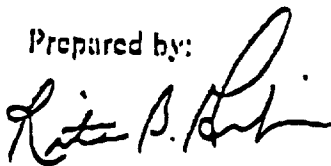

The amended Five Year Plan provides for the construction of new schools, renovations, additions, and modifications to other facilities. The Georgia Department of Education requires evidence of a school district's certificate of title(s) to the subject properties as a condition of the Department's review of the Plan and allocation of capital outlay funds. In addition to dispose of surplus properties it is necessary to have title.

RECOMMENDATION: That the Board authorize the Superintendent to request the Mayor and City Council to issue quit claim deeds to the Board of Education for the attached list of schools.

REASONS: Although the Board of Education maintains legal ownership of all school properties, due to the bureaucratic review procedures utilized within of the State Board of Education, it is necessary to obtain quit claim deeds from the City of Atlanta for the attached named school properties to expedite the state's approval of plans and capital outlay funds. The surplus properties that have been approved for sale require title in the name of the Atlanta Board of Education.
